Spring is here and Camp Kindness Counts is in full bloom!

Our new, bi-monthly newsletter has details on upcoming events along with tips for parents and educators alike. Read on to learn about all the wonderful programs we have championed to connect kids with kindness over the winter months and how you can also be involved for future events

By partnering within our communities, we can inspire and enable more kids to make a positive impact around them and give parents the tools needed to foster empathy at home.

Current Partners - Programs:

This month, we welcome our newest board member **Jessica Garcia**! Along with her exceptional communication and outreach skills, she is an active member of our community and a great advocate of youth empowerment in our schools.
